NEW MARK PUT UP BY RAG TAG

SEVEN-AND-A-HALF FURLONGS REC-ORD REDUCED TO 1:32 1-5.

McChesney Beaten by John McGurk in the Great Western Handicap-Highland Park Races.

· CHICAGO. July 1.-Two world's records were broken at Washington Park to-day, Alar a-Dale, running without the lash of whip, lowered the world's record for one mile to 1:37 3-5. He accomplished the feat in the first race of the day and handily beat Savable. In the fifth race Rag-Tag set the mark for seven and a half furlongs at 1:32 1-6. The track was never in better condition for record breaking, but a stiff breeze blew up the home stretch. Alan-a-Dale in the mile race set the pace all the way. The fractional time of his race was: Quarter, :25 1-5; half mile, :48 3-5; threequarters, 1:12 3-5; one mile, 1:37 3-5.

Alan-a-Dale's time is the best ever made on a circular track. The former record of 1:37 4-5 was made at Sheephead Bay in 1901 by Brigadier. In that race Brigadier carried 112 pounds. Alan-a-Dale had up 110 pounds to-day and was ridden by Jockey Crowhurst. Alan-a-Dale is owned by T. C. Mcold. He broke down after winning the Kentucky Derby last year and was retired for the season. The record broken by Rag-Tag was formerly held by Dunois, which ran in 1:324 at Oakland.

the downfall of McChesney, which was beaten in the Great Western handicap by John McGurk. Nothing but weight beat the gallant chestnut horse. He carried 134 pounds and was conceding twenty-eight pounds to the winner. After rating Mc-Chesney for the first mile Jockey Dominick took him to the front. An eighth of a mile out McChesney looked like a certain winner, but he tired under the heavy weight. John McGurk challenged him and Dominick began to work McChesney. The chestnut was done and John McGurk won by a ngth. The time, 2:31 2-5, was a second and hree-fifths faster than the time of the American Derby. The question of the legality of serving the injunction no-tice on a holiday, as would have to be done in this case, inasmuch as the New York team is scheduled to play two games on July 4 and one game on the 5th is causing considerable anxiety to the lawyers of the American league. The general opinion, however, is that such action would be en-tirely within the law.
